To Whom it May Concern:

Our committee is in receipt of the Commission's Report regarding the above referenced report. Please see below for our complete response. Please do not hesitate to contact us again if you should need any additional information.

Our committee understands the importance of contribution limits and has in place a detailed system for tracking contributor's contributions.

- Contributions from The American Bankers Association for the 2010 General Election included: one donation on 4/27/10 in the amount of \$2,000, and one donation on 9/15/10 in the amount of \$3,000. The Commission's Report included a duplicate entry of the 4/27/10 donation. We have verified that only one donation was received on that date and was reported only once on the report. Thus the election to date total for this PAC is \$5,000 and is not excessive.
- Contributions from Dr. Larry Allen for the 2010 Primary Election included: one donation on 9/24/09 in the amount of \$1,000, one donation on 2/25/10 in the amount of \$240, one donation on 3/17/10 in the amount of \$240, one donation on 4/19/10 in the amount of \$240, one donation on 5/17/10 in the amount of \$240, one donation on 6/30/2010 in the amount of \$240, and one donation on 8/25/10 in the amount of \$200. The Commission's Report included duplicate entries of the 4/19/10, 5/17/10, and 6/30/10 donations. We have verified that only one donation was received on these dates and was reported only once on the report. Thus the election to date total for this individual is \$2,400 and is not excessive.
- Contributions from Mr. Alfred Johnson Jr. for the 2010 Primary Election included: two donations on 1/21/09 in the amount of \$600 each, one donation on 6/19/09 in the amount of \$200, one donation on 6/19/09 in the amount of \$1,000, one donation on 2/25/10 in the amount of \$240, one donation on 3/17/10 in the amount of \$240, one donation on 4/19/10 in the amount of \$240, one donation on 5/20/10 in the amount of \$240, one donation on 6/30/10 in the amount of \$240, and two donations on 8/25/10 in the amount of \$240 each. The Commission's Report included duplicate entries of the 4/19/10, 5/20/10, and 6/30/10 donations. We have verified that only one donation was received on these dates and was reported only once on the report. However, Mr. Johnson's election to date total for the 2010 Primary Election was \$4,080 and thus still excessive. A check in the amount \$1,680 was issued to Mr. Alfred Johnson on 8/12/11 for this excessive contribution and will appear as an itemized contribution refund on the 2011 October Quarterly Report. A photocopy of this refund check has also been mailed to The Commission's Physical Address. This committee has reviewed and amended the processes and procedures for tracking donor contributions in order to avoid this problem in the future.

We trust this response is sufficient and completes the public record. Thank you for the opportunity to respond.

Sincerely,

Fleming for Congress
